

***We Deliver Your Standard...!***

## Company Introduction

SkyM's goals remain consistent, we have worked with engineers and consultants to provide answers to the most challenging technical questions. SkyM focuses its efforts in Engineering & Project Management.

Vast experience of Fire Alarms Systems, UPS, CCTV, GENSET, Electrical and Civil solutions, endorsed by technology-driven enterprise focused on Cost and time effective strategies have enabled customers meeting their requirement since 2011. SkyM pairs deep technical knowledge with a thorough understanding of our customers' needs to deliver necessitated products and services nationwide.

Here are no traditional organizational charts, no chains of command, nor predetermined channels of communication. Instead, we communicate directly with each other and are accountable to fellow members of our multi-disciplined teams.

We are proud of who we are, what we do, and how we do it. We are many, working as one across functions, across cities, and across the nation.

### Vision

Working to engineer a better world.

### Mission:

To lead world's leading energy solution companies through our blend of quality, integrity, costs, responsiveness, and timeliness. Our professionals will be in the forefront of new technologies, client-dedicated, and uphold the highest professional standards in the practice of engineering, materials and services. It is our intent to become established leaders in the professional services we provide.

### HSEQ Policies

Our complete team from top management to the bottom, is committed towards Health, Safety, Environment & Quality policies which are reviewed on regular basis.

"A healthy employee, a happy family"

"Safety at the working place, safety in life"

Either it is making of IT Room or problem in machinery, SkyM provides a wide variety of UPS for rent which are in the best condition. With a range starting from 1kVA till 100kVA available and ready to install. The UPS available are of American and European Brands, i.e., APC, Eaton, Emerson Liebert.

### Brand

Powerware Dell  
Eaton  
APC, Liebert

### Rating

1kVA till 10kVA(Single Phase)  
5kVA till 10kVA(Single Phase)  
10kVA till 100kVA(Three Phase)

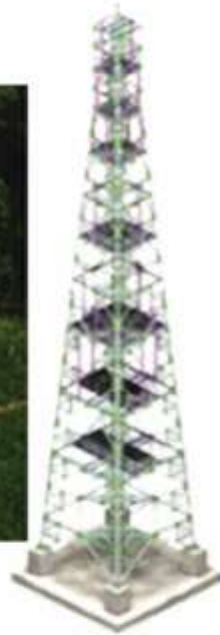

## Civil Engineering Solutions:

SkyM diversifies its engineering services providing civil engineering solutions with mechanical works for steel structures. SkyM gear up its specialized engineering solutions to deliver the following

- \* Civil Works & Renovation
- \* Steel Structures for warehouse
- \* Landscaping
- \* False Ceiling
- \* Epoxy flooring

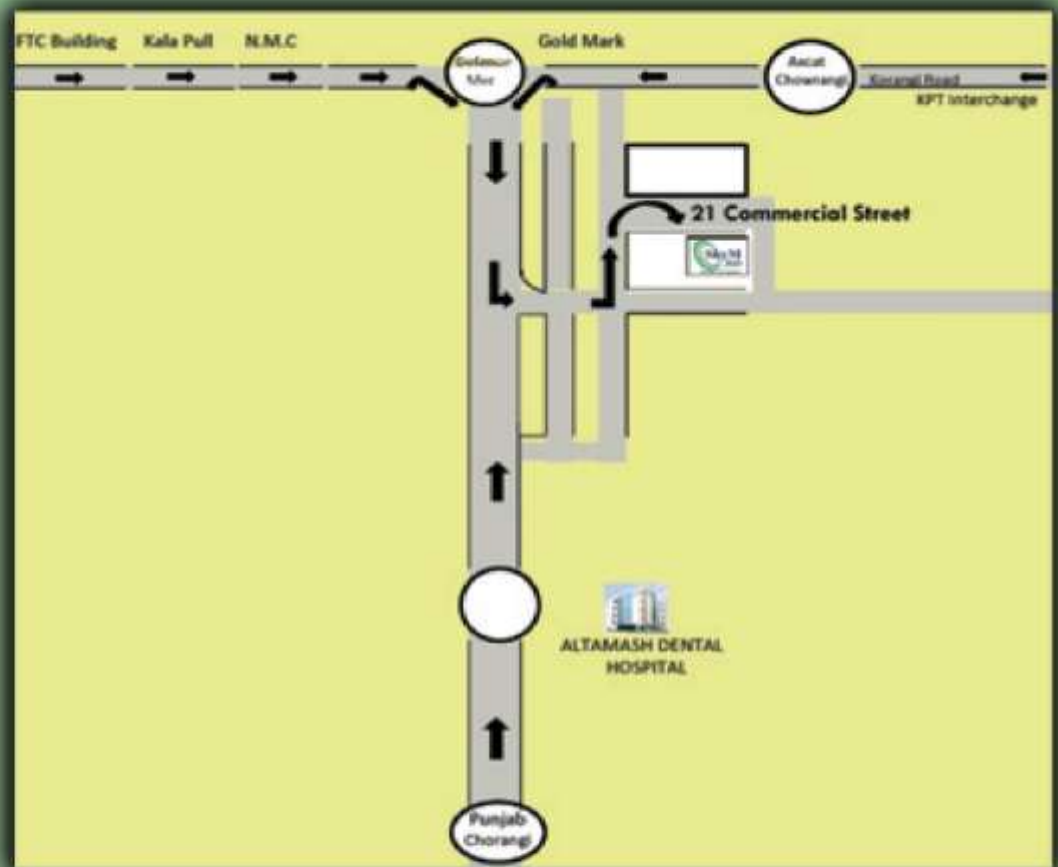

## Automation & Control Systems

Today's automation and control solution need to be affordable, user friendly and easily configurable. While selecting an automation system, we consider all these facts to give you quality assurance during design, execution and operation. We responsibly workout our offers so that your existing investment is not wasted for the sake of new systems. Following are the sectors in which our automation and control are valuable.

- Building Automation, HVAC control and low voltage systems.
- Machines and Plants automation.
- Instrumentation, communication systems and cabling.
- Round the clock warranty and troubleshooting services.

### Head Office

Mezannine floor, C-15, 21 Commercial Street, Phase-II Extension, DHA,  
Karachi. Tel: +9221-35883290, +923343103607

### Workshop & Warehouse:

Sreet # 3, Madniabad, Delhi Colony, Karachi.  
Tel: +923000229885/7
